YR1 PROGRESSION IN MASTERY LESSON PACK - FIND A HALF 1

REASONING 1

Two children have the same shape to halve.

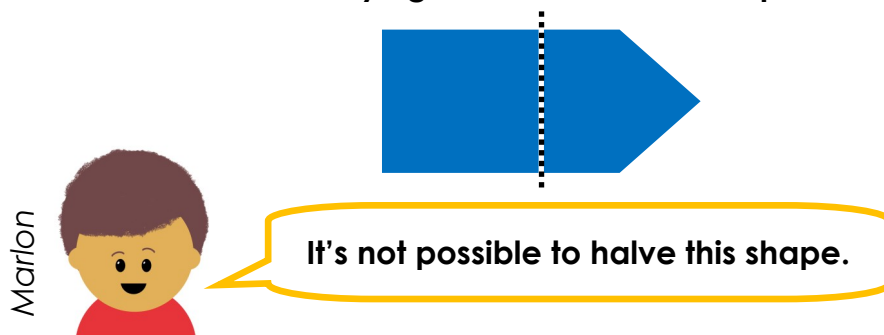

Who has halved the shape correctly?

Why is the other person wrong?

REASONING 2

Marlon is trying to find half of this shape.

It's not possible to halve this shape.

Do you agree with Marlon? Explain why!

REASONING 3

True or False?

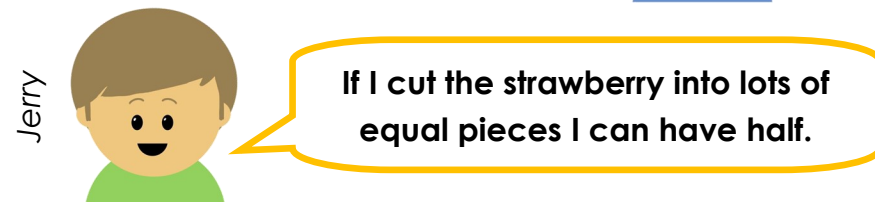

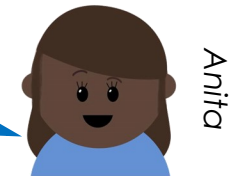

There are lots of ways of finding half of a square.

Draw something to show what you think.

REASONING 4

If I cut the strawberry into 2 pieces I can have half.

Explain why both children are wrong.

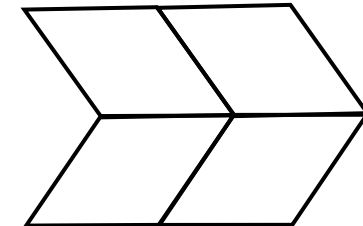

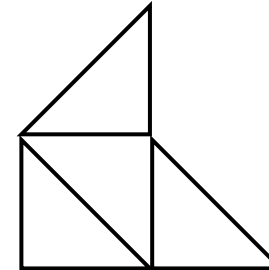

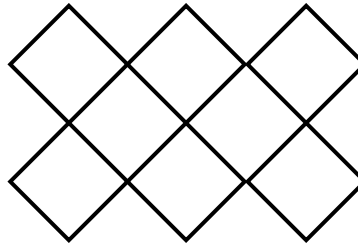

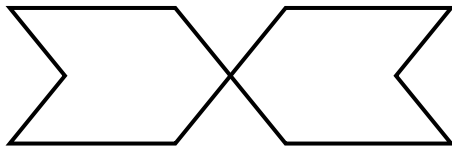

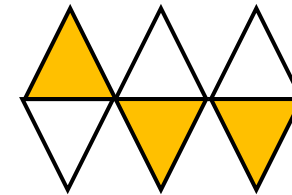

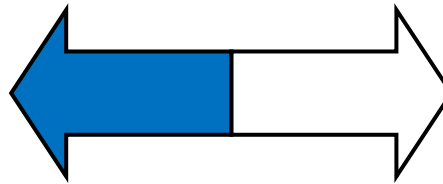

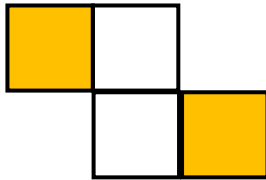

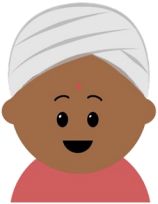

YR1 PROGRESSION IN MASTERY LESSON PACK - FIND A HALF 1
