

# DEEPENING UNDERSTANDING ANSWER SHEET

## YEAR 1 PIM – SORT OBJECTS

### Fluency 1

### Fluency 2

## Reasoning 1

**Jane has not sorted them correctly.**

### Modelled DAB Reasoning Responses

**D** – Jane is wrong.

**A** – The yellow pencil should not be there.

**B** – Jane has sorted them by colour, the blue are all in one group, but the other group has 2 green and 1 yellow. If she takes the yellow one out it will be correct. She could have a third group for yellow pencils.

## Reasoning 2

**Jerry has made a mistake.**

### Modelled DAB Reasoning Response

**D** – Jerry has made a mistake.

**A** – He has not drawn enough counters.

**B** – He has only drawn 4 counters and there are 5. He needs to put another orange counter in the orange group.
